

Buglawton Primary School

Be the Best We Can

Topic: Sculpture

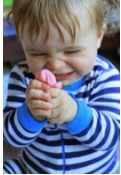

Subject: Art

Year: 2

Term: Spring

What should I already know?

- I can use materials to create a planned effect.

What will I know and be able to do by the end of the unit?

I can shape and model a material...

I can roll, pinch and knead...

I can use tools and equipment in the correct way...

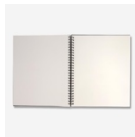

I can create patterns and textures...

I can answer key questions about John Brickels and make links to my own artwork...

I can use a sketchbook...

| Craft | Modelling |
|--|-------------------------------------|
| | |
| Making things by hand. | Making 3D models. |
| Moulding | Shaping |
| | |
