

# Buglawton Primary School

Be the Best We Can

**Topic: Digital Literacy**

**Subject: Computing**

**Year: 1**

**Term: Autumn 1**

### What should I already know?

- Recognise that a range of technology is used in places such as school and home.
- Select and use technology for particular purposes
- Exploring and using media and materials
- safely use and explore a variety of materials

### What will I know by the end of the unit?

- Understand the importance of being safe, responsible and respectful online.
- Know what to do when they don't have a good feeling when using technology.
- Understand that being safe online is similar to staying safe in real life.

### What will I be able to do by the end of the unit?

- Learn the "Pause & Think Online" song to remember basic digital citizenship concepts.
- Recognize the different kinds of feelings they can have when using technology.
- Learn to identify websites and apps that are "just right" and "not right" for them.
- Know how to get help from an adult if they are unsure about a website.

### Agreed Real-life Outcome

- Produce a poster demonstrating all the learning throughout the unit.
- Screenshot the searches performed to research a topic.
- Write an email to a friend or family member.

Spelling	Definition
Computer	An electronic machine that can carry out many jobs.
Web browser	A program that allows you to access the internet.
App	A program on a computer that you would use for a specific job.
